

YES! I'm interested in the Maine Consortium on Clinical Office System Improvement!

Please tell us about your practice:

- I have experience with office systems quality improvement projects.
- I would be willing to share my experience with office systems improvement (e.g. protocols, guidelines, reminder/tracking, patient registries, audits, patient education, flow sheets) in the areas of:
 - Clinical preventive services
 - General primary care
 - Chronic disease management
 - Other
- I am interested in developing a quality improvement project in my practice.

Please select all that apply

- I would like information on receiving technical assistance:
 - A medical peer consultation
 - On-site technical assistance from Staff
 - As an office systems improvement pilot site
- Add me to your mailing list:
 - Send me information about your manual and practice tools
 - Invite me to your half-day conference on Outpatient Quality Improvement
- I would like information on how to participate in the Consortium:
 - As a Steering Committee member
 - On the Computer Networking Group
 - On a Networking Group addressing my area(s) of interest (please describe)
